The Program aims at enhancing the academic and intellectual environment in the Institutions by providing faculty members with enough opportunities to pursue research and also to participate in seminars / conferences / workshops. Participation in such program would enable faculty members to update their research and pedagogical skills.

The programs focus on enhancing functional area expertise improving one's classroom delivery both as a teacher and trainer enhancing abilities for conducting meaningful research. It is going to be a pioneering conference to bring together all renowned experts from the discipline of education. It is an initiative in the process of emerging needs of school education and services. This initiative shall be of great benefit for Schools Principals, Vice Principals, Counsellors, Senior Faculties & educationalist to participate and exchange the valuable thoughts in the process of evolving effective strategies towards child development and to meet the global standards of school education. We have expertise in conducting these types of programs at grand level at different part of India. We call best senior secondary schools delegates so that University officials can show their USP & give detailed information about the University. Networking, Presentation session, Speech, Award Ceremony & A followed by Lunch or dinner is the most preferred way to reach out best Schools Officials. This type of event creates indirect marketing and branding for University & also gives good results in near future. From top to bottom, we Hitech manage whole event in well planned manner.
