Event Report on Enhancement of Teaching Skills Professional Learning

Date : 25.09.2017
Venue : ELCS LAB

Faculty vitality is the main ingredient to enhance professional education and competence. Enriching the faculty vitality in key domains of teaching, assessing, research, professionalism, and administration is perceived to improve educational environment significantly and enhances the academic performance of learners. Faculty development program (FDP) has been considered as a stand-alone educational pedagogy in fostering knowledge and professional skills of faculty. However, few studies have provided objective reports about the impact of such programs in a healthcare system.

Chairman Sri Pasumarthi Venkateswara Rao garu, secretary Sri Vutukuru Subrahmanyam garu and principal of Sree Vahini Institute of Science & technology Dr. Ranga Nagendra Babu garu and all head of the departments and all faculty members are participated in this program.
