9	SI	Summer Internship and Seminar*	-	-	-	2
	Total Credits					**20**

*Evaluated during the END of V SEM

After thorough discussion and incorporating the valuable suggestions of the members, the course structure and syllabus were unanimously approved

2. Information on Academic Performance of Results for A.Y. 2024–25

The department presented the results analysis for the Academic Year 2024–25.

The Board noted the performance and suggested measures to further enhance student outcomes through remedial classes, mentoring, and skill-based activities.

3. Proposed Calendar of Events for A.Y. 2025–26

The proposed academic calendar was shared with the Board.

Members suggested inclusion of additional seminars, workshops, and industry interaction programs to strengthen students' practical knowledge.

With the suggested modifications, the calendar was approved

4. Information on Teaching and Learning Process

The HoD briefed the Board about the teaching methodologies, use of ICT tools, assignments, and student engagement strategies.

Members appreciated the efforts and recommended continuous up gradation of e-learning resources and experiential learning activities.

5. Any Other Matter with the Permission of the Chair

The Board discussed possibilities of introducing skill development programs and certificate courses in emerging areas to improve students' employability.

The suggestion was positively considered for further action.

Others

- ✓ Dr. MHM Krishna Prasad suggested and recommended providing more online reference links and resources for students.
- ✓ Dr. Basetty Mallikarjuna offered valuable suggestions on the syllabus and Course Outcomes (CO) of II BCA – I & II Semesters. He highlighted the importance of formulating clear and measurable Course Outcomes to help students better understand the competencies, skills, and knowledge they are expected to gain by the completion of each course.
- ✓ Dr. MNV Kiranbabu highlighted the significance of motivating students to actively participate in workshops and seminars. He emphasized that such engagements provide opportunities to explore new ideas, develop practical competencies, and remain updated with emerging industry trends. Dr. Kiran babu further recommended introducing initiatives to encourage greater student involvement in these events as a means to strengthen their academic learning and professional development.

Conclusion:

The Chairman thanked all the Board members for their valuable inputs, guidance, and cooperation. The meeting concluded with a note of appreciation.

BOS Chairperson
